## BLIND EYE

### WHO WE ARE

Bayside Creative is a team of talented Graphic Design students at Bayside High School who work in a studio environment to bring you **outstanding graphic design services for FREE**. We are headed by teachers who have worked professionally in the industry for over 10 years. We want to help the Bayside business community be the best they can be by creating amazing ready-to-print designs at no cost to you. We simply want to gain experience and knowledge to fulfill our dreams. Our passion and love for art and design shines through in every project.
